

PURCHASE ORDER QUALITY REQUIREMENTS:

Dove Electronic Components, Inc. has a quality management system that has been certified to AS9100 and ISO9001 by NQA (Quality Management System Registrar). As a result, we are requiring our suppliers to meet the requirements below where appropriate for QR 4 – QR 9. QR 1 – QR 3 continue to be standard requirements for all orders unless otherwise stated on Dove's Purchase Order.

QR1- C of C is required.

QR 2- ESD Packaging is required.

QR 3- Date codes must be within **18 months**.

QR 4- Supplier is required to notify Dove of nonconforming product.

QR 5- Supplier must obtain Dove's approval for nonconforming product disposition.

QR 6- Supplier must notify and obtain Dove's approval regarding changes in product and/or process, changes of suppliers, and changes of manufacturing facility location.

QR 7- All applicable and customer requirements must be flowed down the supply chain.

QR 8- All records pertaining to Dove Purchase Orders must be retained a minimum of 7 years unless otherwise specified by customer requirements.

QR 9- Supplier shall grant right of access to Dove, their customer and regulatory authorities to the applicable areas of all facilities, at any level of the supply chain, involved in the order and to all applicable records at a mutually convenient time with adequate notice.

QR 10- Supplier must ensure that all personnel are aware of their contribution to product or service conformity, product safety and ethical behavior.
